

SYDNEY CONSTRUCTION PROJECTS

Electrical & Communications Contractors *Since 1910*

10 -12 Clyde Street
RYDALMERE NSW 2116

ECS SERVICES PTY LTD COMMENDATION FOR SERVICES PROVIDED

Stowe Australia has contracted and worked with ECS Services on a number of successful projects over the last 10 years. The services have included design, equipment selection and installation for a range of security and audio-visual activities including:

- Access control
- Intruder detection and alarm
- CCTV monitoring
- Video Projection
- Sound installations to theatre quality standards
- Hearing augmentation

The competency of the design and installation staff and excellent quality of the equipment and work performed has also resulted in client and enduser commendations for both the initial installation and the response to maintenance and additional works.

I therefore have pleasure in recommending ECS Services.

Warwick Tsoa-Lee
